

Service Stations across Michigan have joined with Michigan Paralyzed Veterans of America to offer The Pump Guide to drivers with disabilities. This service is an online listing of gas stations that are committed to pumping gas at self-serve prices for drivers with disabilities. Currently, more than 800 stations offer this valuable community service, and hundreds of drivers access this site each month.

*If you are already a participant in this program and do not have any changes from last year, please do not return this form.

For more information about this program, to check your listing or to fill out this form online, please visit us on the Web at: www.ThePumpGuide.com.
